Violly aviet MUNACEDV (201-205139), Converd	ed with reference, are
the following chtriad Total Station 'A	ould like to clarify
sere of the information previously reported	1 by the Station which
undoubtedly has led Headquarters to the con	nalusion contained in
the second paragraph immediately below.	
When told that Subject (Mikhail Vasily	esylah MUSACHOV 201-
205139) has been posted to Finland, Source	(a Soviet defector)
commented that Subject (SURASSICY) would pro	bully be reaponable
for renotrating the police.	
(This apoculation by Source is probable	ly not correct since
this reprobability belongs to feter willing	vice CAVLLYLY, who
perived in melsinki about the same tire tra	t Subject dia, to
replace Ivan Yefimovich SERTLYNY.)	•

2. Petr Rikitovich CAMENDY (201-1404	(30), Councellor of
Rebarry and head of the Press Section. SAV	ALTRY filled the
Counsellor glot vacated by Vasiliy Juvich S	KOLOLKO (201-14233%)
who dealt with trade. To do not recall the	Chief of the Frees
Section prior to SAVELYTY's arrival. herev	er, SAVELYLV was NOT
the replacement for Ivan ALIGUYAV (201-2594	47) as stated in
OFHA-5447, 13 February 1962.

3. We doubt very ruch that SAVALYEV u	as involved in police
menetration. His contacts in Finland (also	in Horman) were for
the rest part with the press (CTM+6010, 22	May 1964, etc.) and
to eirculated freely in that modific SAVALY	EV did not speak
Finnish, despite the fact the IVALIMAN infor	men us he spore fairif
good Finnish (CVEA+5447) which was probably	an initial assessment
on their part. 77

nativities in Helsinki at first ameared to be those of a NGB co-optee, and lafor more obviously those of a 333 officer in the CA field. halter R. CLASIONES N's contacts with SAVACYEY took place either in press circles or in the presence of Aleksey ShU-AROV (201-203095) whom we suspect of being the deputy resident in helsinki. Thus the milion in which SAVALYHV engrated, we tend to place him in the MGB entegory rather than ORU.

- 5. SAVALYEV, who left for home leave on 10 July 196% never returned, was replaced by KGB officer Albert AKULOV (201-232590). first secretary and press attache.
- 6. Concerning Ivan Yesigovich SERCEYEV (201-259447), SERCEYEV replaced RGB officer Griseria Ye. GOLUD (201-150156), Chief of the Consular Section. After the defection of ALLADLE/1, this Section was in confusion and the exact slot-for-slot replacements are not known. In our best judgment, EURGUYEV was replaced by Anatoliy PAVLOV (201-331811) who departed 2 March 1963 because of ill health. PAVLOV was temporarily replaced by MOB officer Boris Vasilyevich PERFLETOV estensibly assigned to the Cultural Section 27 (OFUA-6403, 6 March 1964) the departer 31 March 1964 also because of ill health. PERELETOY was replaced for consular responsibilities by KGB officer Foliks Dmitryevich KARASEV (201-736991).
